

EmpowerVET Newsletter

18 Months of Progress, Innovation and Collaboration

Over the past 18 months, the EmpowerVET project has brought together vocational education providers, universities, and training experts from Albania, Germany, and Spain to strengthen entrepreneurship education, competence development, and innovative teaching approaches in VET.

4 International Mobilities & Events

Kick-off Meeting (Germany),
Study Visit (Spain), Train-the-
Trainers (Germany), Student
Training (Spain)

3 Countries Collaborating

Albania, Germany and Spain
working together to strengthen
VET innovation and
entrepreneurship

5 Key Project Outputs Developed

Context Analysis, Learning
Framework, Learning Pathway,
Learning Materials,
Competence Validation Tools

EMPOWERVET IN NUMBERS

20+ Teachers & Trainers Trained

Through international capacity-building activities and Train-the-Trainers programmes.

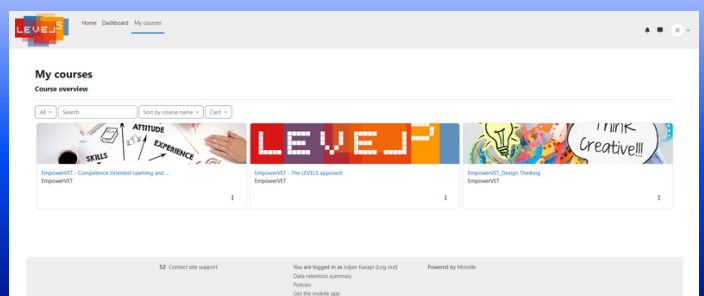

40+ Students Engaged in International Learning Activities

Participating in entrepreneurship, sustainability and competence-development activities.

Pilot Implementation Successfully Launched

EmpowerVET methodologies transferred into real educational environments.

Key Results

Building the EmpowerVET Framework

Following the needs analysis and stakeholder consultations, the consortium developed the pedagogical foundation of the project.

Outputs Produced

- Learning modules
- Training materials
- Assessment tools
- Validation instruments
- Experience reporting templates

- Context Analysis completed
- EmpowerVET Learning Framework developed
- Learning Pathway methodology created
- Competence Validation approach established

Development of Learning Materials

Project partners worked together to create innovative educational resources for teachers and learners.

What Comes Next?

1. Expanding pilot activities
2. Evaluating learning outcomes
3. Strengthening stakeholder engagement
4. Ensuring sustainability of project results

EmpowerVET – Empowering Learners, Inspiring Innovation, Building the Future.
